## COVID-19 EXPERIENCE

Brownell Library is collecting photos to create an archive of Essex Junction residents' individual and shared experiences during the COVID-19 (Coronavirus) pandemic.

We welcome photos that represent individual experiences, and also photos that represent our community's experience. This includes but is not limited to how businesses, government agencies, schools, colleges/universities, health care agencies and religious, social, political and other organizations are affected by the pandemic as well as photos of routines for school children at home, examples of mutual aid, day-to-day quarantine routines, and life for essential service workers.

Submissions must be digital photographs.

Please fill out this fillable PDF form and email it along with your photos to [photos@brownelllibrary.org](mailto:photos@brownelllibrary.org).

These photos will be available on the Brownell Archive Website at <https://www.brownelllibrary.org/omeka/>
