No Old Business

New Business:

The group started the work of editing and refining the suggested survey questions on the draft questionnaire available on line. Areas discussed were Demographics, Access, and part of Support. A great deal of the discussion centered on what the library would like to learn about it's patrons and also non-patrons.

Some wording was changed from Family to Household.  
The age ranges for some demographic questions were changed.  
Which questions can be open ended?  
Should the list of Brownell Library collections and services be part of  
Access or Support?  
Added computers, printers and book sale to this list.

The meeting adjourned at 12:35.

The next meeting will be Wednesday, June 12 at 12 noon, in the Kolvoord Room and  
online

Respectfully submitted, Dorothy Bergendahl
